

Note:

1. Measurements involve doors and windows, please start from outside trims or casings.
2. We need fridge width and height, range and DW normally 30 and 24 inches(please tell us if they are different).
Let us know how do you like your Microwave, to over the range (OTR) or on some wall cabinets as well.
3. If the gas line, stove plug-in, fridge plug-in, water supply and drain are not flexible, please mark the locations.
4. Suggest you make a rough kitchen floor plan, to tell us about where you prefer your stove, fridge and sink(normally center and against windows).
This way will make design fast and easy to reach your target.
5. Take some site picture and send to us will nice and helpful for designer.
6. Your Name _____ Cell phone _____ Address _____
